TANSI, Just a brief update on the Child Well-Being Law (Wapsewsepi Awasis Weyasowewin) The summer has been slow. The committee and myself have a next steps meeting on September 6 in Edmonton with Treaty 8. The Committee and myself would like to wish Theresa Willier for her work this past year, as she is no longer with us. If you have any questions or comments on the process so far please free to come see me at SRFN administration office.
