CHILD WELLBEING

Tansi, May has been a different month. We have finished the first round of Community Consultations. A special thanks to everyone who participated. We also have had the first meeting with Treaty 8 to begin pulling the information together. It may slow down during the summer months, but I will keep you all updated. If you have any questions or concerns please phone or stop in the office. Connie Twin

NOTICE TO CLEAR AND CLEAN LAKE LOTS

May 29, 2023

This is an official request to everyone with a lake lot to clear or maintain your lot. This includes old camper/vehicles, BBQ's, structures, tents, etc. Garbage can be taken to the bin provided.

The lake lots will be inspected on a regular basis by Park security. Letters will be given to individuals if a second warning is needed.

Failure to comply with this may result in your lake lot being turned back over to Swan River and given to somebody else.

Thank you in advance for your prompt attention.

Sincerely

C & C
