Child Well-Being Lead

Tansi, we have started the next round of community consultation starting with Fort St. John. We will be in Calgary on October 29 & 30, 2023. These are for our off-reserve members. The committee and the elders that have been working with us have changed our name because of the word law (Weyasowewin). The new name is Wapsewsepi Awasisak Negan. Thanks for everyone's impact and help.
